4. [redacted] In response to his telephone request, met with Mr. David Affeldt, in the office of Representative Neal Smith (D., Iowa), and left with him several copies of the Agency unclassified pamphlet titled "Central Intelligence Agency." Mr. Affeldt was quite interested in OSS and CIG and their relation to the present CIA. The impression was given that Mr. Affeldt or possibly another member of the staff may be doing a school paper on the Agency and its antecedents.

5. [REDACTED] Spoke with Mr. David Muchow concerning BOB Circular A-19 requirements for advising on Agency legislative programs. He appreciated our being in touch with him on this and will be looking forward to our written report.

Mr. Muchow explained that his specific area within BOB was foreign affairs legislation and in that connection made reference to his understanding that Senator Fulbright had been making inquiries concerning the Agency's funds for counterinsurgency programs or social science research. I told him that I did not know of any outstanding problems or requirements with Senator Fulbright in these areas, but that I would be glad to check it further. Mr. Muchow said he would appreciate this explaining his general interest in the interests of the Chairman of Senate Foreign Relations.
